

FISCAL NOTE

SJR 483

March 3, 1998

SUMMARY OF BILL: Directs the Department of Environment and Conservation to conduct a feasibility study to examine the feasibility of upgrading and refurbishing T. O. Fuller State Park and Booker T. Washington State Park, relative to necessary repairs, replacements, additions and betterment of buildings and facilities, expressly including the acquisition of new equipment for such facilities. That all state agencies shall provide assistance to the Department of Environment and Conservation upon request. The Department of Environment and Conservation shall report its findings and recommendations to the two speakers no later than January 1, 1999.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - \$50,000 One-time

Cost estimate is based on similar studies that have been performed in the past.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
